

# INDEX TO PLATS

## HOW TO USE THE MAP INDEX

In November 1983, all map books were converted to slides. Books are numbered 1 through 23.

Maps have three references:

1. Map index.
2. Slide conversion chart.
3. Grantor and grantee indexes.

Once the book and page number have been located, refer to the chart for the location of the plat cabinet and slide.

Searching for the map online:

1. Follow this link: <https://us6.courthousecomputersystems.com/HarnettNC/>
2. Click the View Images tab on the top right hand side.
3. Book Type: Choose Map
4. Book: Enter Book referenced in the Index to Plats chart (ex. Book 1, enter 1).
5. Page: Enter the 1<sup>st</sup> Page referenced in the Index to Plats chart (ex. Page 1-3, enter 1).
6. Click Go.
7. The image of the map will populate.

Even though they are listed in the index, many of the older maps may be missing.

See North Carolina General Statute 47-30 for plat and subdivision mapping requirements.
