RHA Health Services- 100 Erwin Avenue, Erwin North Carolina, 910-897-8093. Services: Adult developmental vocational program, Anson Children's Center (is a unique center-based program for typically developing and special needs children age birth to five years' old). Community Alternatives Program for Children & Adults (CAP/C & CAP/DA), Clinical Intake/Assessments, Day Services – Support & VOCA, Developmental Therapy, Family & Group Living - Sometimes a person with developmental disabilities is unable to live with his or her own family but can still be supported in an alternative family setting. RHA Family & Group Living services include the option of Alternative Family Living (AFL). Alternative Family Living enables a person to live in a private home with a family and still receive 24-hour support and habilitation. A targeted case manager monitors the health and safety of this person while receiving these services, Group Homes & Residential Centers, ICF/IDD Services - This residential setting is the most structured level of support offered by RHA, with staff on duty around the clock. These group-homes coordinate health and rehabilitative services and provide training that enables

people with developmental disabilities to function at the highest level possible. RHA operates ICF homes for both children and adults.
