Congratulations, Nurses!!

100% Pass Rate Two Years in a Row!

on the National Council Licensure Examination (NCLEX)
FSU is one of only two schools in North Carolina to post a 100% pass rate.

2014 and 2015 !!

- ✓ FSU's robust RN to BSN Online program is ranked highly for value and the #1 Choice for working nurses in the area.
- ✓ FSU's Pre-Licensure program was recently ranked #2 in the eastern region by nursejournal.org. The overall NCLEX pass rates of Pre-Licensure graduates is 95-100%!

Fayetteville State University is PROUD TO BE . . .
training today's nurses for tomorrow's diverse medical field.

COMPREHENSIVE SERVICES AT HARNETT HEALTH

Welcome to Harnett Health | two hospitals, six physician practices and seven outpatient centers

In partnership with Cape Fear Valley Health, Harnett Health has expanded professional medical services and improved access to our physicians. So now Harnett County residents can receive exceptional care close to home.

Residents now have more access to board certified physicians in Emergency Medicine, Radiology, Pathology, General Surgery, Urology, Gynecology, Cardiology, Ophthalmology, Orthopedics, and Gastroenterology.

The hospital offers a full range of health care services including: ER, imaging, lab, and surgery. Harnett Health is working to ensure you can find a family physician or a specialist of your liking when you need one.

The physicians and staff at all our locations are committed to providing quality care, compassionate service, and community support. When you need us... we're right here.

Neurosurgery Excellence

Right Brain vs Left Brain.

The right captures imaginative thinking. The left deductive logic. To be in command of neurosurgery excellence, we need both attributes. From neck pain to back pain to other more complex neurosurgical disorders, our neurosurgical team has the creativity to make a clear diagnosis and the knowledge to provide the most advanced treatment options and procedures.

And most importantly, positive outcomes. Our board certified physicians have 47 years of combined experience and our service area includes not only the Sandhills region, but much of the mid-Carolinas.

The Brain is our Domain.

Develop healthy habits as a kid, and you'll enjoy a beautiful smile with healthy gums and teeth for a lifetime! Regular checkups and professional cleanings are essential to a healthy mouth, but that's not all it takes to keep your smile bright and white.

Follow these at-home care tips to help prevent cavities and decay:

- Brush and floss correctly at least two times a day.
- Eat a balanced diet with plenty of fruits and vegetables.
 - Limit the number of sugary snacks you eat.
 - If you chew gum, chew a sugarless variety.
 - Use mouth rinses to reduce plaque.
