

DIVISION ON AGING

The Division on Aging provides support services to older adults and caregivers to promote independence and quality of life.

Division of Aging Services

- In-Home Aide Services – Assistance with daily living activities to help seniors remain safely in their homes
- Senior Volunteer Program – Opportunities for adults age 55 and older to engage in meaningful community service
- Elderly Nutrition Program – Congregate and home-delivered meals that support nutrition and social connection
- Family Caregiver Support Program – Education, resources, and respite services for caregivers
- Grandparents Raising Grandchildren Program – Guidance, resources, and support for grandparents serving as primary caregivers
- Community Alternatives Program for Disabled Adults (CAP/DA) – Community-based care options for eligible disabled adults
- Medicare Counseling Services – One-on-one assistance to help individuals understand and make informed Medicare decisions

The Health Department strives to eliminate barriers that prevent people from receiving care. Many of our services are based on a sliding fee scale (based on income). The Health Department accepts Medicaid and Private insurances.
